OAKWOOD

*Polled Shorthorn Auction Sale*

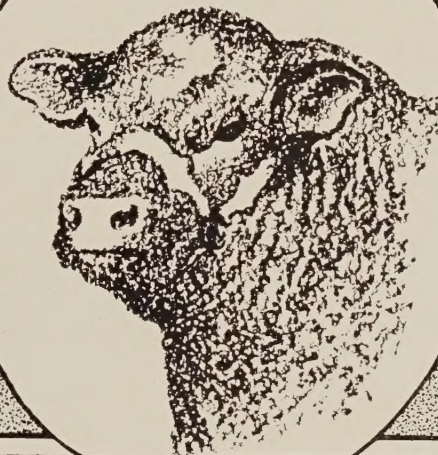

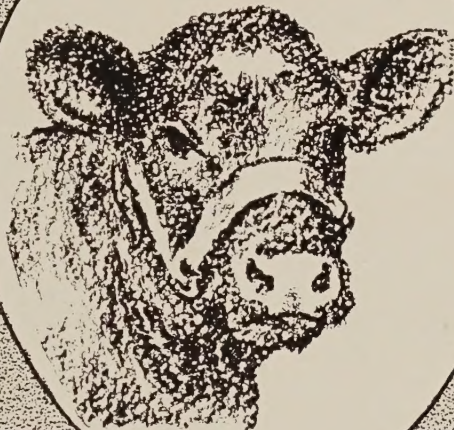

A THIRD OF A CENTURY

1914

1947

OF POLLED SHORTHORN PROGRESS

We feel safe in making the promise that these cattle will not only improve the herds into which they go but that the Polled Shorthorn breed will be improved through the scattering of this blood . . . a fulfillment of the Oakwood aim throughout a third of a century.

This is The "Opportunity Sale"  
in Polled Shorthorn History

... here are a few of the reasons for that steady rise  
in popularity of OAKWOOD POLLED SHORTHORNS.

# OAKWOOD STOCK FARM ANNUAL SALE

Ashville, Ohio

Monday, November 10, 1947

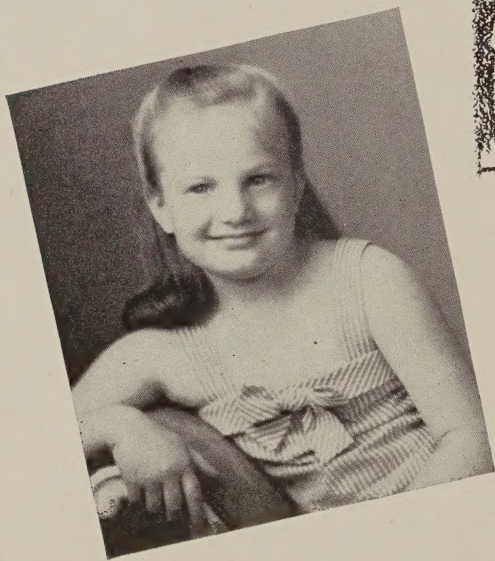

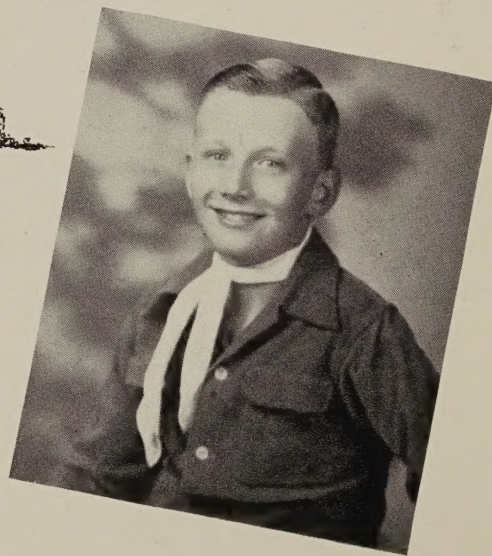

## Here are the people who represent Oakwood Stock Farm

Paul W. Teegardin, Mrs. Paul W. Teegardin,  
Carol Teegardin and Paul W. Teegardin, Jr.

There will always be a  
hearty welcome at Oakwood  
Stock Farm for those who  
share our love for good  
Polled Shorthorns.

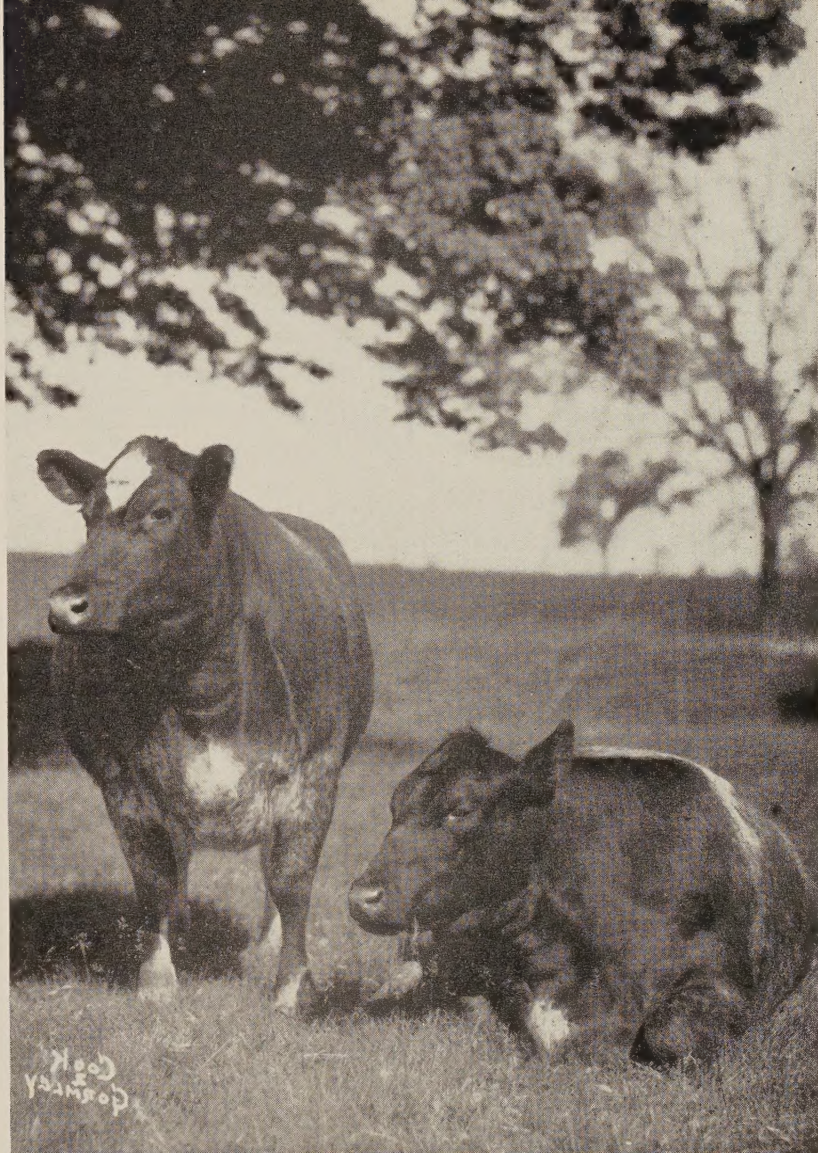

# WE INVITE YOU

We extend a cordial invitation to all who are interested in Polled Shorthorn cattle to be with us on occasion of our EIGHTH ANNUAL SALE. It so happens that the year 1947 marks the completion of a third of a century of Polled Shorthorn breeding at Oakwood Stock Farm and our 1947 auction sale will commemorate this important milestone.

Having made the definite promise that this "Third of a Century Sale" would contain the choicest individuals that have ever been offered from the Oakwood Herd, we are now ready to await the judgment of the public as to the fulfillment of this promise. Perhaps it is wrong for an owner to become too enthusiastic, but our feeling that these animals are just the kind we would buy if we were starting our herd over again provides a justification for our unbounded faith in this Oakwood sale offering.

We hope you will attend the sale and we urge you to arrive early enough for an inspection of the breeding cows and the internationally famous herd bulls that are in service. We believe such an inspection will give all visitors a lasting impression of the work we are trying to do in the improvement of the Polled Shorthorn breed.

*Paul H. Hegardin*

*Please bring this Catalog with you to the Sale*

After a day full of blue ribbon winnings at the International Live Stock Show . . . the Oakwood show herd at rest.

In many ways this is the most important event in the history of Oakwood Stock Farm. For a third of a century the Teegardins have been preparing for it. A full volume would be needed to relate the third of a century accomplishments of the Oakwood Herd and space is not available in this sale catalog for such a history. However, from such a book would come the conclusion that the most important contribution the Teegardins have made to the industry is the scattering of the kind of seed stock that has resulted in permanent improvement for the Polled Shorthorn breed. Wherever Oakwood bulls have gone, they have performed in a manner that has resulted in better quality and larger profits. Wherever Oakwood females have gone, they have been top producers.

Naturally the sale offering for this "Third of a Century" sale has been selected with greater care than ever before. My advance inspection convinced me that the cattle are better than have been offered in any previous sale. Certainly the offering contains more of the best Oakwood blood than ever before and more females in calf to the famous Oakwood herd bulls.

For more than a third of a century the owners of Oakwood Stock Farm have taken the champions of the greatest livestock shows as their pattern and have made use of the blood of these champions in moulding animals of superior type and quality. The 1947 sale offering is a wonderful testimonial to their efforts.

## *Master Farmer . . .*

Although all of the credit for this excellent sale offering rightly belongs to the present generation of Teegardins, it is only fitting that due recognition be given in this souvenir catalog to the work of the late C. B. Teegardin. It was his confidence in the Polled Shorthorn breed that resulted in the founding of the Oakwood Herd and his vision, cooperation and guidance that made possible today's unparalleled source of supply for Polled Shorthorn seed stock. His duties as a banker and businessman never took precedence over his vocation as a farmer and stockman, and it was through his leadership in this latter field that he earned the title that brought him greatest pride . . . Master Farmer. Under his guidance, Oakwood Farm, always operated as a practical stock farm and never as a hobby, was built to its present five hundred acres, and seven sons and daughters whom we all admire were reared and educated.

—Hal Longley of The Shorthorn World.

## Would You Pay A Little More to Get A Lot More?

On the following fourteen pages will be found the pictures of some of the famous sires that have been used at Oakwood Stock Farms as well as the pedigrees of those that are at present in service. Those who study this section carefully will know why the top auctions have been held at Oakwood for so many years. They will also know why the real students of the breed buy Oakwood productions with such a feeling of security.

Successful breeders are aware that the management of a purebred herd may be likened to the management of a bank account . . . **you can't take out any more than you are willing to put in.** Oakwood bred Polled Shorthorns make good because they are BRED to make good. The position of your herd can be strengthened by the purchase of such seed stock . . . and the best ever offered from the Oakwood herd are in this sale.

## Imp. Gosshall Ximenes

When Gosshall Ximenes was sold at the 1942 International Shorthorn Sale, Shorthorn breeders were unanimous in their opinion that he was the greatest prospect for a sire that had been offered in a generation. That he should sell for the top price at auction in this country in over two decades, was indicative of their confidence in his future. At that time we had in service at Oakwood three International Grand Champion bulls, but we felt that Gosshall Ximenes could write a new chapter in Polled Shorthorn achievement to use him upon the daughters of these bulls and, in cooperation with Montana Hall, we purchased this bull at \$5,700. His sire, Coldoch Union Jack, was the Supreme Champion at the Perth Show in 1932. That he has proven himself an equally noted sire is now history. Through Coldoch Union Jack and his second sire, Beaufort Overture, Gosshall Ximenes is line bred in the blood of Naemoor Jasper, the top sire of Scotland over a long period of years. While through his third sire, Collynie Nobleman by Balcairn White Eagle, sire of Collynie Royal Leader, he gets an infusion of that most prepotent blood. It is significant to note that the 1939-1940 and 1941 Perth Supreme Champion bulls represented the combined influence of Collynie Royal Leader and Naemoor Jasper bloodlines. The record of the sons and daughters of Gosshall Ximenes in the past three Oakwood Sales stands unprecedented, these cattle sired by this great bull having averaged \$1,712.50. A son, Oakwood Grand Duke, sold to Janesway Farms in our 1946 sale at \$5,000, the top figure in history for a Polled Shorthorn bull sold at auction. A son was Reserve Champion at the 1946 Congress and another son sold at \$2,050 to bring the second top price. Like his other sons, both of these bulls are proving outstanding sires. His daughter, Gloster of Oakwood B, was the undefeated Grand Champion at the State Fairs of 1946. Gosshall Ximenes died April 30th and this sale represents your last opportunity to secure his get. History will surely rate him as one of the **GREATEST** of the breed's **GREAT SIRE**S!

Coronet Command was the undefeated Junior Champion bull at the 1940 Illinois, Iowa and Nebraska State Fairs before we purchased him to bring him to Oakwood. He was made the Junior Champion bull at the International shortly afterward and came back in 1941 to be crowned the Grand Champion bull of the year at the Ohio, Maryland and Virginia State Fairs and the International. He has proved his ability to pass on his unusual thickness, depth of body, full quarters and compactness to his calves. He was sired by the 1937 International Junior Champion Cherry Coronet, who, in turn, was by the International Grand Champion Count Coronet. Count Coronet was by a half brother to Oakwood Royal King and we are thus continuing our line breeding policy. See his calves and you will appreciate why we are so enthusiastic about him. Study his son, Oakwood Crown Command and you will agree you have never seen a thicker, more compact bull in the breed's history. That's why we brought him back to Oakwood when the Montana Hall Herd was dispersed.

Oakwood Leader is the kind of a bull we dreamed of when we first saw Gosshall Ximenes. That's why we chose this calf to follow in the path of his sire when Ximenes died last April. He has as good a head as we have ever seen on a yearling bull—the head of a sire—a breeding bull's front. He's deep, he's thick, he's smoothly turned, he carries his width from end to end and he's as wide as they come at both ends. He has a perfect color, deep and rich, and he inherited both his excellence and his color from his sire as well as from his dam. His dam is a cow that pleases us fully; a heavy milker, ideal in her type and bred right, which is fundamental to us in the dam of any herd bull. She's a Shepherd Rosemary, a granddaughter of the International Grand Champion, Lee Dale Collynie, and also a granddaughter of the 1927 International Junior Champion, Rosewood Renown. Deep in polled blood, smooth head, seven polled crosses on each side, we have used him liberally on the heifers selling. In spite of his heavy service he was made Grand Champion bull at the Ohio State Fair, headed the winning three bull group, the winning two bull group, the Get of Sire, the Pair of Yearlings and the Best Bull and Female Group. We never showed a Grand Champion that was more universally acclaimed! That pleases us for it substantiates our judgment of him and our thought in buying his dam to mate to Gosshall Ximenes. May our confidence be justified!

## Alpine Sensation x . . .

## In 1945 we said . . .

We present Alpine Sensation x with a confidence that in him, we have the "most of the best" in any bull we have seen this year. He was Reserve Champion bull in the Polled Shorthorn Congress, showing in only medium condition. He is bred to be a champion. Collynie Impression x sired the 1943 and 1944 Grand Champion bulls in the Congress Shows and Alpine Sensation x is his greatest son. His dam is a granddaughter of Daybreak's Collynie x, son of the International Grand Champion Lord Collynie x and Scottish Daybreak 9th x, International Grand Champion female. Line bred in the blood of Lord Collynie x, we rate him the most outstanding bull of that dynasty that we have ever seen. He's the shortest legged bull we know of. He's thick, deep bodied, compact and he carries a full deep quarter. His legs set squarely on each corner and he walks out a true champion with style and class. We expect to use him liberally in our herd and we plan to head our 1946 show herd with him.

### ALPINE SENSATION x2237031

Red, calved Sept. 26, 1943. Bred and owned by Alpine Farms Lexington, Mo.

## In 1946 we added . . .

At each show Alpine Sensation x has been crowned the Grand Champion Bull and he's a better bull in every respect than he was in 1945. His first calves have arrived and each one is an outstanding prospect. That he should be such an impressive sire as well as the TOP show bull of the year justifies our complete confidence in him.

## We would add further . . .

His calves strengthen our confidence in him!

# Oakwood Crown Command x

Oakwood Crown Command x is a type study in Polled Shorthorn excellence. He is one of the shortest legged bulls we know of. He has a lot of natural thickness and he has remarkable depth of body. His shoulders are smooth and his quarters are full. His is the head of a sire and he is another 100% de-horner. His first two calves were dropped just prior to our 1945 Sale and we were certain he was the answer to our problem of a sire. We have used him liberally in the past year and we are most enthusiastic about the calves that are being dropped. They are good colored, thick, low set and full quartered. We invite everyone to inspect them and we know when you do that you will understand our enthusiasm for him.

Coronet Command x, his sire, was the Junior Champion at the 1940 International and the undefeated Grand Champion of 1941. The dam of Oakwood Crown Command x was bred at Oakwood and sired by Sultan's Challenge x, a dark roan grandson of Beauty's Sultan x that went to Australia where he was used by Douglas Munro. The second dam was by Oakwood Royal King x and was a full sister to the 1934 International Grand Champion, Oakwood Regen' x. Her dam produced three bulls to win championship honors at the Internationals!

With such inheritance and performance to support his individual excellence we feel secure in his unlimited use. We feel certain you will share our belief in Oakwood Crown Command x.

OAKWOOD MODERATION is the son of Oakwood Nonesuch, we have elected to carry forward the influence of his sire and the Oakwood Royal King Dynasty. He possesses the head of a sire, like his sire's, and he is a balanced bull from end to end. Deep bodied, short coupled, level in his tail setting, full in his quarters and with a straight hind leg. See the daughter of his dam selling in the sale. Consider the record of Oakwood Magic King (sire of the \$2,400 top female in our last sale) in the Leemon herd, where he sired many of the best. Remember, his sire was a championship winner at the 1933 International and sired many champions in the Munro herd in Australia. Backed by two International Grand Champion bulls in addition to Oakwood Nonesuch and Oakwood Resolution, and from such a grand producing cow, we just BELIEVE that he'll sire the improving kind.

in 1945

In 1946 Cherry Hill Farm sold 39 head for an average of \$1,028.20. We sold 49 head for an average of \$1,027.45. Two such sales indicate an expanding demand for Polled Shorthorns.

## Extra Profits . . .

Our pride is caused not alone by the fact that public approval of Oakwood Polled Shorthorns has given us the top auction sale year after year. More important to us is the fact that the cattle sold in these auctions have been making money for the buyers. In every major Polled Shorthorn sale where the get of an Oakwood sire or the produce of an Oakwood cow has been offered, the consignor has received a handsome bonus over the average price. The figures prove conclusively that it doesn't take long to pay for an Oakwood bred animal through EXTRA PROFITS. Ask any man who has owned one!

OAKWOOD ROYAL KING x

*For five consecutive years the "get of sire" class at the International Livestock Exposition was headed by the sons and daughters of the International grand champion, Oakwood Royal King x. No other Polled Shorthorn bull has ever equalled or even approached this record.*

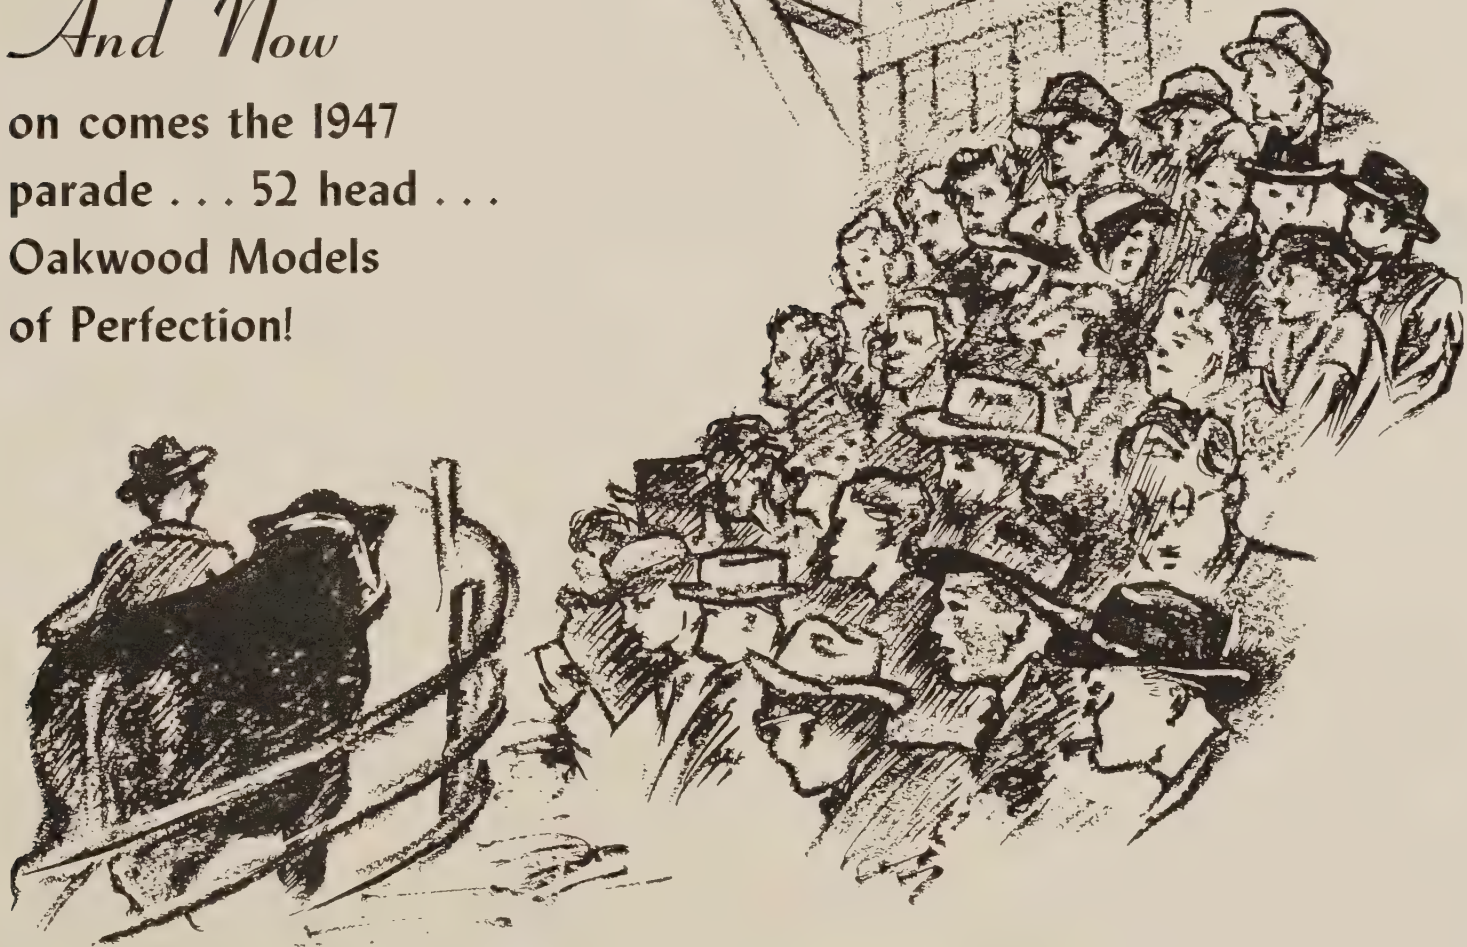

# WORTH CONSIDERING WHEN YOU'RE BUYING SEED STOCK

1. Eight International grand champion bulls have been developed and exhibited by Oakwood Stock Farm.
2. All eight of these bulls have been in service in our herd, where we have mated them to the most outstanding cows we could produce and that money could buy, always satisfying ourselves in each case that their breeding and inheritance were absolutely right!
3. The Oakwood show record stands unparalleled!
4. At the past sixteen Internationals, Oakwood Polled Shorthorns have won thirty championships, one hundred thirty-seven first prizes and eighty-eight second prizes!
5. It is an honor to any herd to have in use a bull capable of siring a winning Get of Sire Group at this great show. We feel it noteworthy to emphasize the fact that seven times we have bred and shown this most coveted group to win first place at the International Livestock Exposition.
6. In a nation-wide contest conducted by The Shorthorn World, Oakwood Royal King was voted by popular ballot to be a two to one choice as the breed's greatest sire of all time! Oakwood Royal King spent his entire life of service here in the Oakwood herd!
7. As further evidence of the influence of Oakwood Royal King in breed improvement, we submit to you the fact that, with his sons and grandsons, we succeeded in heading the class for the best three bulls at the International Livestock Exposition for ten consecutive years! (In 1938 and 1941 we stood both first and second in this class.)
8. These records, a general acclamation of the best judges in this country, provide conclusive proof of the superior performance of the animals that have resulted from the carefully outlined program of the Teegardins.
9. PUBLIC APPROVAL gave us the top sale of the breed in 1940. By the same token we were accorded the top sale in 1941. We repeated in 1942. Our 1943 offering was still better. 1944 topped them all. The 1945 sale was again the top for the year. In 1946 the Oakwood average at \$1,027.45 on 49 head was within one dollar per head of the top average of the year. We believe our 1947 offering is the BEST in the history of this herd.

Oakwood Estimator x

OAKWOOD ESTIMATOR topped his class at the Ohio State Fair and was a member of our winning Get of Sire and two and three bull groups. We had planned to retain him along with Oakwood Leader to carry on the tradition of Gosshall Ximenes. We believe in him for many reasons. He has a strong head, the head of a sire; he is modern in his type, short coupled, deep of body and very thick. His quarters are full and he is short of leg. We believe that he looks like a sire and we know he inherits that right through both his sire and dam. The Supreme Perth Champion, Coldoch Union Jack and the three International Grand Champions, Oakwood Emperor, Oakwood Royal King and Oakwood Baron are guarantee a plenty that he will prove his promise. If you want to reach the top in a few short years, this bull can certainly help you on your way!

OAKWOOD RADIANT COMMAND is one that will attract the critical buyer. His smooth head, his rich, dark red color and his up to the minute type and balance will really appeal. His sire is one of the best sons of the 1941 International Grand Champion, Coronet Command. His dam is not only a top cow in any company but brings new blood to Polled Shorthorns through Brae Lodge Headlight and Diamond Ring, by the noted show bull and sire Sni-A-Bar Gold Ring. A study of his pedigree, a careful look at the calf with his thickness, his depth, his full quarters, his level tail setting, his legs straight and wide apart, his style, will be convincing that he is one of the breed's best herd sire prospects. Too few of his calibre are ever offered.

OAKWOOD RELIANCE should be a sire of top rank. Smooth headed, good headed, thick, short coupled, deep—that's the pattern. His dam's first son was exported to Australia in 1937 where he is still siring winners and sale toppers in E. L. Killen's herd. We like this calf as a prospect and we feel that confidence is justified by his inheritance. Gosshall Ximenes, the Perth Supreme Champion, Coldoch Union Jack, Oakwood Royal King and Oakwood Baron are names that stand for breed advancement. The sons of Gosshall Ximenes are limited in number and we recommend this calf as one of the best. At any cost, he will be worth it.

OAKWOOD GOLD SEAL was the first prize Junior bull calf at the Ohio State Fair and the type of calf that could go right on winning. His head is smooth and his poll is excellent. His sire is not only a one hundred percent dehornor but we think you'll agree that he is siring a top notch lot of calves. The dam of this calf is an old cow but she has been a great producer. One of her sons heads the herd of Albert Robinson in Virginia, another is in service in the Bower and Borchers herd at Sidney, Ohio and her 1946 son was exported to the Argentine. If you want a rich, dark red bull, a bull of depth, shortness of leg, level lines and a lot of quality, this calf will certainly interest you. Consider him well. He's GOOD!

OAKWOOD GRENADIER is a red bull of unusual inheritance, being a grandson of both Gosshall Ximenes and Coronet Command, two bulls of established reputation as sires. He has a rich color and you will like his depth of body, his unusually deep rear flank, his smoothness and his balance. He is bred to be a sire and he looks the part. His dam is a heavy milking, sweet headed, broody sort and his granddam is a granddaughter of Phingask Bank Roll. This bull should be popular with the ringside and he should make a sire of top rank.

We want you to note how these sons of Gosshall Ximenes sire them and we want you to note further that he is sired by a full brother to Oakwood Estimator who is also selling. Commodore's Victor stood second to Oakwood Estimator at the Ohio State Fair and he is every inch a show and herd bull prospect. He has a mellow hide and he is a bull with a wealth of thick, natural flesh—a real show pattern. See his solid red full sister, Gloster of Oakwood D, who is also selling and you'll agree that she's of the same type—a good kind to tie to. Mardale's Crown was the top bull in the 1941 Congress Sale and Millbrook Gloster A topped the McDonnell Sale as a heifer calf. Her dam was the top female in the 1941 International Sale and a grand brood cow. Oakwood Top Command is the second calf sired by Oakwood Crown Command and certainly bears evidence that the calves he is siring develop right in type and substance.

OAKWOOD PROUD ACTOR is a solid red, smooth headed son of the popular champion Alpine Sensation. He has a rich deep color, a sappy hide and ample scale. He is deep bodied and level and will find favor with many. His dam is a solid red heavy milker sired by the one hundred percent dehorner, Oakwood Royal Flash, a three quarters brother to the 1940 International Grand Champion, Oakwood Commander. A cross of Browndale blood and one of Villager strenghten his background. This bull should be a dehorner and he will put ruggedness and thickness into his calves.

OAKWOOD CROWN MERCURY is a rich, dark red of the same pattern as his sire at the same age. He will not be in high condition to look the part and so he could easily be the bargain of the sale. You'll like his great depth, his shortness of leg, his coupling and his smoothness. His dam, one of our best young cows, is a granddaughter of the Perth Supreme Champion, Calrossie Mercury, and she is out of the champion female at the 1940 State Fair, who is a full sister to Oakwood Emperor. With such inheritance added to his type and balance he could make a top sire.

OAKWOOD BARRISTER is a good headed, thick quartered, soggy calf of promise. As a show prospect for 1948 he can be a "bellringer." He is not only a grandson of Coronet Command but comes from a family that universally produces good thick cattle. His dam is a heavy milking dark roan and is sired by Aberfeldy Coronet, a Canadian bred bull, that left a great producing lot of cows. This calf is too young to bring his full value, but his buyer will surely be a satisfied customer and a booster for Oakwood and Oakwood Crown Command.

# About the Females in this Sale . . .

Because this "Third of a Century Sale" marks an important milestone in Oakwood history, it represents more planning than any previous sale. Ever since we started holding annual auctions, an effort has been made to provide the kind of cattle that buyers are most anxious to secure. A year ago we canvassed the sale visitors in an effort to determine their needs and most of them urged us to include in our 1947 sale more heifers in calf to our famous herd bulls. You will find the answer in this catalog. Thirty beautiful heifers are in calf. Fifteen are carrying the service of Oakwood Leader x, our 1947 Ohio State Fair grand champion and a bull we consider to be the top Oakwood production of all time. Nine more are in calf to our 1945-1946 grand champion bull Alpine Sensation x and others are in calf to such noted sires as Coronet Command x, Oakwood Crown Command x and Oakwood Mercurian x.

We ask you to note carefully the strong Scotch families that are represented as well as the number of females that have been produced through the blending of the blood of SEVERAL International grand champion bulls.

Weigh the worth of females of such matchless inheritance. Never in the history of the breed has their kind been available in such numbers.

If some far sighted beginner had the courage to buy the ten best females in this offering along with the best bull in the sale, within the span of five years that beginner would be recognized as owning the best Polled Shorthorn herd in the country. He would not have the MOST cattle but he would be sure to have the BEST.

---

The thick, blocky kind with perfect polled heads are to be found in Oakwood pastures. We ask you to study this catalog carefully because we want you to be convinced that every Oakwood animal is a superior individual **BY INHERITANCE.**

Another familiar scene in Oakwood pastures. These are the kind that will be sold on November 10th. Weigh the worth of females of such matchless inheritance. Never in the history of the breed has their kind been available in such numbers.

OAKWOOD HARMONY 8TH, a solid red daughter of Gosshall Ximenes, certainly will add prestige to his position as a sire. She possesses depth of body and thickness, is close to the ground and looks like a candidate for top honors in 1948 shows in the fastest company. She is listed only to be sure that our 1947 Sale offering is a stronger one than we have ever before catalogued. We have a full sister in the herd, but we will never have enough of her kind. She's a direct descendant of Oakwood Harmony, three times a championship winner at the International, and there are four International Grand Champion bulls in a row at the top of her family tree. We haven't a more desirable foundation female and we hope that she will go into a herd that aspires to prominence. Her background is proven, her future assured!

Oakwood Mistress 6th x

OAKWOOD MISTRESS 6TH has everything sought after in a foundation female. The sales record of the sons and daughters of Gosshall Ximenes is without parallel. Her dam produced Oakwood Magic King, who sired so many tops for Leemon Stock Farm, including the heifer Ceremonious Beauty 2d purchased in our last sale by Bob Giesy at \$2400. Oakwood Mistress 2d is also the dam of Oakwood Moderation, retained for service here and shown elsewhere in this catalog. That's the kind of brood cow she's out of and this is her only calf sired by Gosshall Ximenes. That's why we'd especially like to keep her at Oakwood—for she'll really DO!

OAKWOOD MISSIE 15TH is one of the best ever to be sold at Oakwood. Her sire is Gosshall Ximenes, her dam is one of our best cows. A full sister is the dam of the best heifer calf dropped this summer. She is backed by three International Grand Champion bulls, Oakwood Emperor, Oakwood Royal King and Oakwood Baron. She comes from the Edgcote Missie family and her full brother, Oakwood Modern Trend, sold at \$1500 in our last sale to Drs. Hosler, Peters and Lightner. The head of a breeding cow, deep bodied, short coupled, compact, level and smoothly turned, a quality package in every sense. Her cost isn't so important, it's owning her that counts and she will prove the wisdom of your confidence in the years ahead.

Gloster of Oakwood D x

GLOSTER OF OAKWOOD D is an outstanding prospect for both a show heifer and a breeding cow. Beautiful to look at—sweet headed—she has the front of a brood cow. She's correct in color, in her balance, her type. She's thick and level and smoothly turned. She's typical of the daughters of Oakwood Crown Command. Her dam topped the McDonnell Sale in 1944 and she's a brood cow. Her granddam topped an International Sale. Mardale's Crown topped the 1941 Congress Sale. Why shouldn't she be good with such tops? Consider further that these 34th branch Duchesses of Glosters are uniformly that kind, for every bull back to the imported cow is a bull of note. Top herds are built upon her kind and too few of her kind were ever offered in any sale, anywhere, anytime!

Oakwood Clipper 3d x

OAKWOOD CLIPPER 3D will please the most discriminating judges for she's a most promising prospect for a breeding cow and a show heifer in her own right. We hesitate to part with her but she will reflect well for her dam and her sire, Oakwood Crown Command. Her depth of body, her thickness, her compactness and her balance combine to rate her as one of the most valuable females we have offered. Her breeding further assures her future, for every bull in her pedigree has made a worthwhile contribution to Shorthorn advancement. She can be a winner in the show ring, but better than that, she could be the dam of many a champion!

Oakwood Clipper 2d x

OAKWOOD CLIPPER 2D is a daughter of Gosshall Ximenes that we had always planned to retain in our own herd and she's consigned against our better judgment because she is certain to be a breeding cow if we can pick them. Her younger sister, by Oakwood Crown Command, is also selling and Hal Longley insists that no Polled Shorthorn Sale ever had two daughter of any cow that were as promising. That's why we believe in this heifer for her dam produces a top calf every time. We call that a good family to build on! Study her from every angle, her type, her breedy head, her balance, her inheritance. She is due to calve in January to the service of our 1947 Grand Champion, Oakwood Leader, and to our minds that spells perfection in appeal!

OAKWOOD GLOSTER F is a most promising daughter of Alpine Sensation and one that we should have fitted for she's right on every count. She is out of a dam that is priceless, for she is a full sister to Oakwood Gloster B, top female in our 1942 Sale purchased by Dr. and Mrs. Parke G. Smith. Another full sister went to Cherry Hill Farm in 1943 and is the dam of the \$2050 Cherry Hill Hallmark and the young bull Cherry Hill is retaining for a Junior herd sire. Still another full sister sold to Mr. and Mrs. Geo. Wedel in Michigan in our 1944 Sale. That's the kind of a family this heifer comes from and that's why she, too, is a 1948 model. Ideal in her inheritance, her type and certainly one to tie to. At any cost she will be worth owning!

OAKWOOD ANNETTE is a solid red, sweet headed daughter of Alpine Sensation and she bears ample testimony to his ability as a sire. She comes from a family known as producers of the best. The Champion female shown by Alpine Farms at this season's shows is out of the granddam of this heifer and the Grand Champion female at the 1946 Nebraska State Fair was bred the same way. Sweet headed, deep bodied, low set, smooth, she has everything needed in conformation. Right by inheritance, backed by proven performance, we call her an absolutely SURE BET if you want to breed top Polled Shorthorns. She is worth any price.

**RED GLOSTER 2D**—It takes a great deal of confidence in one's buying public to offer a cow of the merit of Red Gloster 2d for we have never attended any sale where a mature cow of her outstanding excellence has been available. Her sire, Collynie Type 3d, ranks as one of the breed's best sires, but we venture an opinion that he never sired a better female than this lady. Her dam is the grand dam of the \$4000 Collynie Compact, the great sire at Cherry Hill Farm, and he is sired by another son of King Collynie Jr. Deep in polled blood, a member of the Queen of Scots branch of the ever popular Duchess of Gloster family, she does full credit to her ancestry. We are retaining her solid red May bull calf, a great headed calf that is a grandson of the Perth Supreme Champion, Calrossie Prince Peter, for our junior herd bull. We want you to see him on Sale Day, but don't ask us to price him for he is to stay at Oakwood! Red Gloster 2d should write an important chapter in breed progress for she's selling bred to Oakwood Leader, our 1947 Grand Champion.

This cow is very definitely one of the breed's best females of ALL TIME. You'll be mighty lucky if you are the last bidder on Red Gloster 2d.

GLOSTER QUEEN OF OAKWOOD can make one of the best and most valuable females of the entire offering. You'll note that she is as modern in her type as they come. Her color is perfect and she fills your eye even though she is not in high condition . . . just a natural. Her heritage is her assurance that she is going to produce her kind. A granddaughter of Gosshall Ximenes, a granddaughter of Fascinator, a granddaughter of Oakwood Rosewood 16th and a granddaughter of Red Gloster 2d wouldn't need anything more to guarantee her worth. BUT . . . she ALSO has the Perth Supreme Champion, Coldoch Union Jack, Oakwood Merry King, Collynie Fascinator and Collynie Type 3d, and we think she'll prove the worth of her background. GLOSTER LADY is a solid red of the right pattern and a daughter of the great cow we are selling in this sale. She is a granddaughter of Oakwood Commander, 1940 International Grand Champion and also a granddaughter of Collynie Type 3d. She sells mated to the 1941 International Grand Champion, Coronet Command. This heifer will not be in condition to bring her worth for she has been nursing a whale of a good calf and he stays at Oakwood. See her dam on Sale day, see her calf, see Gloster Queen of Oakwood out of another daughter of Red Gloster 2d and you'll aspire to own her. She's a diamond in the rough and certain to be worth far more than she will cost!

Oakwood Vanity Fair 3d x

OAKWOOD VANITY FAIR 3D is not only richly bred but a splendid brood cow prospect, one that could be the foundation female for a really profitable family in your herd. She is a daughter of Oakwood Crown Command and thereby a grand-daughter of Coronet Command. Her dam is the dam of the outstanding solid red bull, Oakwood Ambassador, sold last year to Senor Arocena, Montevideo, Uruguay and he has developed as he promised. This heifer will develop right, too. The first daughter of this cow went to N. J. Busch and has made a real producer. Her second heifer went to Brookfield Farms and she too is a top cow. We have every confidence in this heifer and we hope that she goes into a herd where we can follow her progress.

However, we'd like to think of her as a breeding cow, for these Edgcote Missies have been consistently excellent producers, both at Oakwood and in every herd into which they have gone. Her dam has four International Grand Champion bulls at the top of her pedigree, Oakwood Merry King, Oakwood Emperor, Oakwood Rodney and Oakwood Baron and all champions in their own right and each a sire of champions. This heifer bespeaks her unusual heritage! Her future has no limitations!

If you have any doubt about the merit of the calves by Oakwood Mercurian you can dispell them by seeing the six we have at Oakwood and his first eight at Littlebrook. This heifer comes from a noted family. Her dam is solid red, her granddam is solid red and both are heavy milkers. Her pedigree is s'uadded with bulls that have made history and none are more popular than the Marr Claras descending from Clara Belle and Choice Goods. This heifer can be a breeding cow among the best and she'll never cost more than she's worth.

We'd like very much to keep her at Oakwood, for her Edgcote Missie dam is one of our most consistent producers of good ones, a heavy milker and an own daughter of the Australian Grand Champion, Oakwood Consul.

Analyze her pedigree—it inspires confidence. Study this heifer from every angle for she is unquestionably a grand brood cow prospect; then consider the worth of her calf by the Grand Champion, Alpine Sensation, and you'll aspire to her ownership. Too few of her kind are ever offered!

LAVENDER GLOW is one that pleases on every count. She's right in her depth, her thickness and her balance, even in ordinary flesh. Think what she'd be in top form. A show heifer of the first water! She's a line bred granddaughter of Brownale Golden Victor, the bull who sired the dam of the \$4700 Oakwood Command and the dam of the winning Senior heifer calf at the last International, shown by Cherry Hill Farm. She comes from the Lavender family and you couldn't improve on her background in that respect. That's why she's GOOD and why she'll reproduce her kind!

Giesy III at \$1500.00 in our 1945 Sale and we think she reflects the worth of females offered in Oakwood Sales when you get calves of the type that Littlebrook Gipsy Maid represents. She can found a great family in your herd for these Gipsy Maids are among the best of the breed. This heifer will be calving early to the service of Alpine Sensation and we have every confidence in that calf. Such females make herds better known and make new converts to the cause of Polled Shorthorns.

**RICHWOOD BROWNDALÉ LADY** is a dark, rich, solid red granddaughter of Collynie Type 3d and a show prospect. She is thick, deep, level, short of leg and a heifer that has all the ear marks of a real breeding cow. She is one of the few heifers we have mated to the 1941 International Grand Champion, Coronet Command, and bull or heifer, that calf should be worthy of winning in the fastest company. She's an opportunity heifer. Made right, bred right and mated right. Don't miss her and regret it.

Valley View Lavender 2d x

VALLEY VIEW LAVENDER 2D has everything we look for in a brood cow. Her sire has consistently sired sale toppers and show ring winners, including the 1941 International Junior Champion bull. Her dam is an outstanding cow and likewise her granddam. These Lavenders are recognized as the best anywhere and her pedigree is studded with bulls that have made history. Study her with a thought of what such a heifer could mean to the future of your herd, then try to visualize the calf she will drop sired by the Grand Champion, Oakwood Leader.

Oakwood Command x became the top selling bull of the breed at auction when he was sold in our 1945 Sale to Marshal Boyle acting in behalf of J. T. Scrymgeour, Netherby, Warwick, Queensland, Australia for \$4700. He was sired by Coronet Command x and out of a daughter of Browndale Golden Victor x.

GOLDEN BUTTERFLY is a very dark, rich colored roan; a heifer of excellent type and one that inherits every right to make good. Check the record of performance on these daughters of Browndale Golden Victor at Cherry Hill Farm, at Farnley Farm, at Montana Hall, at Fred Smalstig's Timberlee Valley Farm. They've produced top calves in each herd and this heifer will do the same. She's a Butterfly whose fourth dam was the imported cow and they are thick, heavy milking, profitable cattle, EVERY ONE! Here's one to tie to and she's mated to the 1941 International Grand Champion, Coronet Command. She could be carrying another one as good as the \$4700 Oakwood Command for his dam was by Browndale Golden Victor.

Seven beautiful heifers of the Oakwood kind.

Her dam is a heavy milker and is sired by a seven-eighths brother to Gainford Gondolier, sire of the \$2200 top female in our 1944 Sale. John Whybrew of Indiana bought a heifer in our last sale at \$750 bred like this. The calf out of 58th Duchess of Gloster should be red and it should be a good one for she's mated to the popular Alpine Sensation and well along.

CRESCENT GRACEFUL 36TH is a dark, rich, even roan granddaughter of the International Grand Champion, Lee Dale Collynie. You will recall that it was a daughter of Lee Dale Collynie that topped our 1943 Sale at \$2500. Her dam is a granddaughter of Village Commander, who topped his class at the International as a senior calf. Her fourth dam is Imported Graceful 40th and she was one of the best Law Gracefuls to ever leave Scotland and down through the years this family has been tops with exacting breeders. This cow will be right at calving to the service of Oakwood Mercurian on Sale day and her first calf was a show prospect of the top bracket. Here's a proven brood cow that is right on every count and she'll never bring her worth, but her buyer will be a satisfied customer.

We want to express our appreciation to Harvey Ferguson, our herdsman. He has fitted the show herd, cared for the breeding herd and conditioned this sale offering. It has meant long hours of hard work and we commend him for his willing cooperation and loyalty.

OAKWOOD NONESUCH x2063341

We regretted to lose this great bull because he represented a perfect combination of Oakwood blood, with Oakwood Emperor x, Oakwood Royal King x and Royal Count Jr. x right at the top of his pedigree. However, his best son, Oakwood Moderation x, remains in the herd to carry on his work.

# DID YOU KNOW THAT . . .

H. L. Straus, Cherry Hill Farm, Reisters'own, Maryland, purchased a heifer bred to Oakwood Nonesuch x in our 1943 annual sale. The calf from this mating was Cherry Hill Clara x, top selling female at the 1946 Polled Shorthorn Congress. R. M. Giesy Jr. purchased her for \$1400 to be used as a foundation female.

\* \* \*

Augusta Lady 18th x, purchased in our 1943 sale by Dr. and Mrs. Parke G. Smith, Cincinnati, Ohio, was carrying Misty Vale Nonesuch x, sired by Oakwood Nonesuch x. This bull topped the 1945 Polled Shorthorn Congress, selling for export to Australia where he is heading the F. S. Simpson herd.

\* \* \*

In our 1941 sale E. A. Dudley purchased Royal Miss x bred to Coronet Command x. This fine heifer had a bull calf, Royal Coronet x. The calf now heads the Dudley herd. Mr. Dudley bred Royal Coronet x to Victoria of Oakwood x, another heifer purchased in our 1941 sale. The calf by this mating was recently made grand champion female in the 1946 Shenandoah Valley Sale at Winchester, Virginia.

\* \* \*

Cherry Hill Hallmark x topped his class at the 1946 Polled Shorthorn Congress and sold at \$2050, second top price of the event. He had

been purchased in dam in our 1943 sale when Cherry Hill Farm, Reisters-town, Md, bought the bred heifer, Oakwood Gloster x for \$1000. He now heads the herd of J. C. Banbury, Plevna, Kansas.

\* \* \*

\* \* \*

Oakwood Commander x, 1940 International grand champion bull, sired the grand champion and top selling bull in the 1943 Missouri State Polled Shorthorn Breeders' Sale for his owner, George E. Smith, Keokuk, Iowa. They averaged \$683. The sale averaged \$295, a bonus of \$388 for Oakwood breeding.

\* \* \*

The first 4 heifer calves by Oakwood Esquire x, a son of Oakwood Merry King x, were sold at Columbus last November. They averaged \$700 per head. The sale averaged \$375—a bonus of \$325 per head for Oakwood breeding.

\* \* \*

Loch Dale Gloster O x, 1943 top female of our sale, was purchased for \$2500 by Cherry Hill Farm. She was mated to Imp. Gosshall Ximenes. The calf, Cherry Hill Gloster O x, was the reserve champion and top selling female of the 1945 Polled Shorthorn Congress.

\* \* \*

In the 1944 Illinois State Sale Leemon Stock Farm, Hoopeston, Illinois, sold four calves sired by Oakwood Magic King x for an average of \$375. The sale of 77 head averaged \$272. Over \$100 per head premium paid for Oakwood breeding.

Dr. Parke G. Smith sold the champion and top bull of the 1944 Ohio Polled Sale. This \$1030 bull was a product of Oakwood breeding: Another Oakwood bred calf sold for \$625 in the same sale.

\* \* \*

The 1946 reserve champion female at the Maryland State Fair was exhibited by Cherry Hill Farm, Reisterstown, Maryland. She is out of Nonpareil Golden Lady x, purchased in our 1943 sale.

\* \* \*

Did you realize that the \$4700 Oakwood Command x was sold as a calf at foot with his dam in our 1942 sale to Mrs. Abram Hewitt, White Post, Va. The pair cost \$910. Oakwood Command x topped the bull sale at the 1944 Shenandoah Valley Sale when we bought him to become the junior herd bull at Oakwood.

\* \* \*

Eleven of the cattle in the 1945 Polled Shorthorn Congress were by Oakwood sires or out of Oakwood dams. They averaged \$733—\$222 above the general average. All were first prize winners. Three were bred at Oakwood. These three averaged \$1533 or \$1022 above the average of the sale.

\* \* \*

Sixteen head in the E. P. Laughlin, Imogene, Iowa, consignment to the 1944 Omaha Sale were by Oakwood Impression Jr. x, a grandson of Oakwood Royal King x. They sold for an average of \$310 per head while the sale averaged \$260. A bonus of \$50 per head or \$900 for Oakwood breeding.

\* \* \*

Approximately  $\frac{3}{4}$  of the cattle in the 1945 Shenandoah Valley Shorthorn Breeders' Sale were directly descended from Oakwood seed stock. The top animal was a \$600 daughter of Oakwood Merry King x consigned by Mrs. A. S. Hewitt. Second high was a daughter of that same famous sire consigned by H. M. Fishpaw, Winchester, Virginia.

The 1946 Reserve Champion bull in the Polled Shorthorn Congress was purchased in dam from Oakwood Farms by Cherry Hill Farm in our 1944 sale. She was mated to Imp. Gosshall Ximenes.

\* \* \*

\* \* \*

Oakwood Regal Crown x was purchased by Alpine Farms, Lexington, Mo. from us before he was the winning summer yearling bull at the Illinois, Ohio and Indiana State Fairs. His daughter Gipsy Maid 32nd x sold at \$1500 to R. M. Giesy III, Lancaster, Ohio in our 1945 Sale and dropped a dark roan heifer calf by Oakwood Crown Command two weeks later. A bid of \$1000 for the calf has been refused.

\* \* \*

The top female in the 1946 Shenandoah Valley Va. Sale at \$11000 was sired by Oakwood Pure Gold, who topped our bull sale in 1941, selling to Montana Hall and Farnley Farms at White Post, Va. The prosperity of American Agriculture rests on the Live Stock Industry. Then why not buy champions where champions are bred?

\* \* \*

In the last Polled Shorthorn Congress at Lexington, Kentucky, Paul Lenhart sold two head . . . one sired by an Oakwood bred bull, one out of an Oakwood bred dam . . . they averaged \$725, nearly two hundred dollars a head more than the general sale average. \* \* \*

E. P. Laughlin, Imogene, Iowa, had a nice string of bulls and heifers by Oakwood Impression Jr. x at the 1947 Omaha sale. The seven sired by this bull averaged \$402, or \$104 a head above the general sale average.
